

RANGE

RULES

- ✿ **NEVER** retrieve or handle a firearm, in any condition, outside of the shooting stall or from/at the back bench.
- ✿ Steel core, tracer, incendiary, explosive, etc. type ammo, and/or black powder are not allowed.
- ✿ No shotguns or shotgun shells, which include shotgun shells fired through any “Taurus Judge” style revolvers.
- ✿ All Class 3 weapons and/or any NFA items must be disclosed and accompanied with proper paperwork.
- ✿ Everyone must wear eye and ear protection at all times while in the range regardless if they are shooting or not.
- ✿ Maximum of two people per lane but only one person may shoot at a time. Minors must be accompanied by an adult 21 or older.
- ✿ Only one firearm may be loaded and/or fired at a time (No dual wielding) and shooting must be above the bench i.e. no prone.
- ✿ No drawing from a holster, rapid fire, or multiple target engagements unless documented permission has been granted.
- ✿ Aimed shooting only i.e. a sighting system is required; no firing from the hip etc. All centerfire rifles and all firearms chambered in a centerfire rifle caliber must have the target set at 25 yards.
- ✿ Treat all guns as always loaded and never point/aim your firearm at anything you are not willing to kill or destroy.
- ✿ Never put your finger inside the trigger guard or on the trigger until your sights are aligned with your target and you have made the conscious decision to shoot.
- ✿ Know your target, what is behind it, and correctly align yourself with it so you do not shoot walls, floor, or ceiling.
- ✿ If you experience a problem or malfunction that you are unable to fix, bench your gun with the muzzle pointed down range and contact a 2A employee for assistance.
- ✿ Excluding 2A employees, no one is authorized to go forward of the firing line for any reason.
- ✿ If you drop any firearm, **DO NOT** try to catch it! If it falls forward of the firing line, contact a 2A employee for assistance.
- ✿ If you drop any equipment/items, bench your gun with the muzzle pointed down range before you retrieve your equipment/items from the floor. If it falls forward of the firing line, contact a 2A employee for assistance.
- ✿ You are welcome to pick up the brass you brought in as long as it does not land forward of the firing line. If you do not want your brass, sweep it forward of the firing line.
- ✿ Do not use “brooms” or other objects to retrieve items or brass that are forward of the firing line.
- ✿ Clean up your area including throwing away trash, sweeping your lane and the carpeted area behind you, and retrieving/trashing your targets.
- ✿ A damage fee is assessed if the follow are shot for any reason: \$5 target holder, \$5 per clip, \$40 any part of trolley system.
- ✿ **Any violation of these rules may result in your immediate dismissal from the range without a refund.**
